Ngā Hua o Te Whānau o Waipareira
Positive Whānau and Family Transformation within a Contemporary Urban Setting
Māori in Aotearoa

- 1350 Migration to Aotearoa from the Pacific
- Organised into tribes across the country (iwi)
- Culture similar to other Polynesian groups (language, appearance, social organisation)
- Late 1700s (First Contact)
- 1800s (Colonisation, War, Population decline, Social and cultural decay)
- 1900s (recovery)
Urban Māori in Aotearoa

- 70 years ago Māori (80% Rural)
- Currently (80% Urban)
- Rural Urban Migration (1950s)
- 142,000 Māori in Auckland (25%)
- Auckland: The worlds largest Polynesian City
- Considerable Cultural and Ethnic Diversity
- Many Māori with limited connections to their Iwi (tribes) and traditional Institutions
Te Whānau o Waipareira

For More Than 3 Decades

Te Whānau o Waipareira has contributed to Māori development in West Auckland

- Focus always on family/whānau
- From initially assisting families/whānau transition from rural to urban living to providing services to benefit Māori in a metropolitan environment
Vision
Māori Future Makers
Creating Future Spaces where Whānau
Hopes and Opportunities can flourish

Mission
Champions for Future Generations
‘Leading Successful Generational Change for Whānau’
3 Broad Aims
