**EXHIBITOR OPPORTUNITIES**

This will be a wonderful opportunity to share your products, information, and network with approximately seven hundred and fifty health professionals, researchers, and indigenous representatives from USA, Greenland, Denmark, Canada, Russia, Norway, Sweden, Iceland, Finland and other countries interested in circumpolar health. All these professionals will be gathering in Fairbanks, Alaska, USA on August 5-10, 2012, to share health related research findings and program successes that will improve the quality of life for those living in circumpolar regions.
