

**Department of Native Hawaiian Health**

**Request for Assistance from the Office of Biostatistics and Quantitative Health Sciences (BQHS)**

Name of Researcher \_\_\_\_\_ Date of Request \_\_\_\_\_  
 Affiliation \_\_\_\_\_  
 Project/Grant Name \_\_\_\_\_  
 Phone \_\_\_\_\_ Email \_\_\_\_\_

**I understand that:**

**a) The Office of Biostatistics & Quantitative Health Sciences (BQHS) and the Center for Native and Pacific Health Disparities Research are supported by NIH infrastructural grants and thus I agree to acknowledge those grants with the following suggested language: "The project was partially supported by grants from the National Institute on Minority Health and Health Disparities U54MD007584, G12MD007601, and P20MD000173 from the National Institutes of Health. The content is solely the responsibility of the authors and does not necessarily represent the official views of the NIH." \*please note: additional grant(s) may need to be acknowledged.**

**b) Coauthorship is generally expected for scientific publications/presentations for biostatistician(s) with substantive contribution in research design and/or statistical analysis, and thus I agree to include biostatistician(s)' name(s) on publications/presentations for their contribution to my project, in accordance with good scientific practice.**

Agree       Disagree      Signature \_\_\_\_\_

We recommend contacting the BQHS to schedule an appointment to review your project, determine your biostatistical needs and estimate the number of hours needed. **Please contact Jewels Robinson at (808)692-1465 or email jlr@hawaii.edu.**

Requested/Assigned Lead BQHS faculty/staff: \_\_\_\_\_

BQHS Services		Total Hours Ph.D. Level	Total Hours MS Level	Total Hours Requesting
	<b>RESEARCH DESIGN</b> (includes Grant proposal development and review, Research feasibility discussion to establish testable research hypothesis, Sample size and statistical power determination, Data-instrument development (such as questionnaire), Data-coding protocols, Database format development, and sampling procedures)			
	<b>DATA ANALYSIS</b> (includes Data entry and database management, Data cleaning and coding, Comprehensive biostatistical and/or bioinformatical analyses, Data safety monitoring and interim analysis, Tailored statistical tool development to address specific research questions and challenges)			
	<b>RESULTS DISSEMINATION</b> (includes analysis results interpretation, Results presentations, such as figures and tables, for manuscripts and posters, data analysis and results section write-up for reports and publications)			

**FOR CNPHDR USE ONLY:**

BQHS		Total Hours Ph.D. Level	Total Hours MS Level	Total Hours Approved
John Chen, PhD - Director, BQHS	Date			
<b>CENTER FOR NATIVE AND PACIFIC HEALTH DISPARITIES RESEARCH</b>		Approve	Disapprove	
Marjorie Mau, MD - PI and Director, CNPHDR or Cecilia Shikuma, MD - Director, Research Core	Date
